

Dear friends of beer tent culture

Gäubodenvolksfest 2025 – so great to have you back! It's awesome to see you again – as stein after stein of our delicious Erl festival beer makes its way across the bar. As our friendly servers bring traditional festival delicacies or roast ox from our own farm straight from the kitchen to your table. As things start to fizz at TONI's Bar. As you join in on our fun regulars' tables, relax on Family Sunday or enjoy our special anniversary program **"40 Years of the Wenisch Festival Tent"**. And of course, as we all come together to celebrate life and Bavarian tradition in our beautiful Genussarena...

Thank you for making our tent such a special place over the last 40 years – a place we all truly love.

We're super excited to raise our glasses with you again in our **anniversary year 2025** – here's to amazing festival days!

Your festival hosts, the Wenisch Family
